

FUEL STORAGE – STATIONARY

ENVIROCUBE

4,966 – 12,329 Gallons | 18,800 – 46,672 Litres

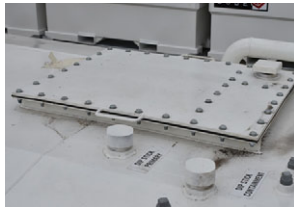

The EnviroCube offers you superior security and versatility for stationary fueling applications. Featuring a full-height, lockable cabinet with additional shelving space and secure hose access, the EnviroCube is a cost-effective yard tank. Ideal for fuel distributors and their customers, including fleet operators.

FEATURES

ACCESS HATCH

Allows easy inspection of inner tank and simplifies routine maintenance.

LIFTING EYES

Allow tank to be moved by crane when empty.

PUMP CABINET*

Lockable, full-height pump cabinet secures all dispensing equipment, ports and fittings for safety and security.

*Available on E200 & E400 models only.

FOUR WAY FORKLIFT POCKETS

Quick and easy maneuvering and mobility.

DOUBLE WALLED, 110% CONTAINMENT

Built-in, weatherproof secondary containment eliminates the need for pans or basins.

SECURE HOSE ACCESS

Letterbox-style ports enable continuous fueling while the cabinet is locked.

APPLICATIONS

ONSITE FUEL SUPPLY

Keep fuel strategically located onsite to refuel construction machinery without having to wait for fuel deliveries.

BULK FUEL STORAGE

Stationary bulk fuel storage provides a backup supply of fuel and helps control costs; buy in bulk when prices are low and watch savings add up.

FLEET REFUELING

In remote locations or on your facility, the EnviroCube can be fitted with all the necessary equipment to refuel your fleet safely and efficiently, reducing downtime.

FUEL MORE EFFICIENTLY

The EnviroCube's multiple ports allow you to fuel up to three pieces of equipment simultaneously, for maximum fueling efficiency.
