

Digital Display

2 Products, 1 Display! Digital PSI Gauge and On-Board Scale

QuickWeigh® is both a highly accurate, easy-to-read, digital PSI gauge AND air suspension scale, making it a uniquely valuable for fleets and owner-operators. QuickWeigh® is a big upgrade in accuracy and performance from standard mechanical air gauges, measuring to 1/27th of a single PSI! It automatically displays PSI on both the rugged display AND on a phone or tablet via Bluetooth® using the free QuickWeigh® app, in real time. Once installed, a driver or fleet can choose to calibrate QuickWeigh®. Stop guessing and instantly know if you're over or under-loaded, before hitting the road. Choose the solution more and more drivers are counting on to quickly check their weights!

QuickWeigh® Features

- Easy-To-Install and Easy-To-Use for Owner Operators and Large Fleets
